

Dearest Colonial Educators, Entertainers, and Makers,

This year, America will celebrate its 250<sup>th</sup> Birthday. Because of Pennsylvania's vital role in the creation of this nation, each PA county is expected to throw a celebration for its communities. Juniata County has risen to this challenge. Our county commissioners appointed me as the Juniata County Advisor to the America250PA Commission, and I've assembled a great group of our community members to form a planning committee. Together, we plan to highlight the talents of Juniata County residents, and those of our neighbors in surrounding central Pennsylvania counties.

Our once-in-a-generation celebration will be an all-day event on **Saturday June 13, 2026**, at the McAlister Park. We hope to encourage the creation of tangible engaging connections to the founding of America for the people in our communities; to foster their curiosity for our shared history; to elevate understanding of the constant and continuing journey to build upon this Great Experiment, and to celebrate the unique and special history of central Pennsylvania.

To do this, we hope to have a full day of colonial entertainment and education, a Declaration Station, great food, special presentations, music and reenacting, hands-on colonial demonstrations, art exhibition, family and children's activities, contests, and end the day with fireworks.

**We would be pleased to include your talents as a colonial maker, educator, or entertainer in the day's programming.** Please see the attached form for more details to aid in your consideration.

Many people in our county fondly remember the 1976 Bicentennial and are anxious to relive those happy feelings, many through the eyes of their children or grandchildren. In this time of uncertainty and division, we are in need of a unifying celebration on the common ground of our shared history. One thing that has brought people together in the past, using both the power of nostalgia and love of history, are the other milestone commemorative events held in our various boroughs and communities over the years. They've all had healthy participation, produced fond memories, and fostered a sense of community pride. We want our county residents and visitors to walk away from this event proud of their history, more educated on community roots and how far we've come, and with a heightened sense of unity.

Together, we can make this day one for the history books! Thank you for your consideration. Please don't hesitate to contact me with any questions at 717-571-5859 or [Jessica.r.guyer@gmail.com](mailto:Jessica.r.guyer@gmail.com).

On behalf of the America250PA-Juniata County Planning Committee  
Sincerely,

Jessica R. Guyer
